If Receiving Party is required by law or court order to disclose Confidential Information, then Receiving Party will, to the extent legally permitted, provide Disclosing Party with advance written notification and cooperate in any effort to obtain confidential treatment of the Confidential Information. The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by Receiving Party, Disclosing Party will be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law.

12. Fees and Payment.

- a. **Fees for the License.** Platform license fees appear on Schedule A. We may use Payment Processors to bill you for your License through the payment information linked to your account. The processing of payments may be subject to the policies of the Payment Processors. We are not responsible for the acts or omissions of the Payment Processors. You agree to pay us, through any Payment Processors, all fees and expenses due for the License in accordance with our pricing and billing policies and you authorize us and any Payment Processors to charge all such sums (including all applicable taxes) to the payment method linked to your account. You agree to be billed on a recurring basis for the License, and agree to be automatically charged by us or our Payment Processors using the payment method linked to your account.
- b. **Updates to Payment Methods.** You must provide us with current, complete, and accurate payment and billing information, and you must promptly update all relevant information in the event of changes (such as a change in billing address, credit card number, or credit card expiration date). You must promptly notify us or the Payment Processors if your payment method is canceled or otherwise inoperable.
- c. **Fees for Services.** You will pay us all fees and expenses for the Services as listed in the Statement of Work. SLINGR invoices monthly, in advance, for professional services including production support. You will make all payments for the Services in US dollars when due. If you fail to make any payment within 10 days of the payment due date, then we may charge interest on the past due amount at the higher of a rate of 1.5% per

month or the highest rate permitted under applicable law, and you will reimburse us for all reasonable costs that we incur when collecting any late payments or interest, including attorneys' fees, court costs, and collection agency fees.

- d. **Taxes.** All fees are exclusive of taxes. You are responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges.
- e. **Payment Disputes.** Except as permitted in this Agreement, all payments that you make to us are non-refundable. You may withhold payments of fees for Services that you dispute in good faith, pending resolution of such dispute, provided that you: (i) timely render all payments and amounts that are not in dispute; (ii) notify us of the dispute within ten (10) days of the date of the invoice, specifying in the notice the amount in dispute and the reason for the dispute; and (iii) promptly pay any amount determined to be payable by resolution of the dispute.
- f. **Changes in Fees.** Once per calendar year during the Term, we may modify the fees. You may terminate this Agreement if the fees are increased by an amount that is greater than ten (10%) percent of the fees that we charged you during the prior year.

13. Term, Termination, Survival, and Suspension.

- a. **Term.** The term of this Agreement begins on the Effective Date and, unless terminated earlier pursuant to this Agreement, will continue in effect until the date that either Party terminates this Agreement in accordance with Section 13.b (the "Term").
- b. **Termination.** In addition to any other express termination right set forth in this Agreement, either party may terminate this Agreement or a Statement of Work if the other party (i) fails to cure any material breach of this Agreement (including a failure to pay fees) within thirty (30) days after written notice; (ii) ceases operation without a successor; or (iii) seeks protection under any bankruptcy, receivership, trust deed, creditors' arrangement, composition, or comparable proceeding, or if any such proceeding is instituted against that party and is not dismissed within 60 days. Except where an exclusive remedy is specified, the exercise of either party of any remedy under this Agreement, including termination, will be without prejudice to any other remedies it may have under this Agreement, by law or otherwise. We may terminate this Agreement or a Statement of Work effective immediately upon written notice to you if we discontinue providing any portion of the Platform, Services, or Support. In addition, the parties may terminate this Agreement at any time upon mutual written agreement.
- c. **Effect of Expiration or Termination.** The termination or expiration of any Statement of Work will not affect any other existing Statements of Work or this Agreement. All Statements of Work will terminate automatically in the event of termination of this Agreement. Upon termination of this Agreement or termination or expiration of a Statement of Work, the Licenses (including licenses to Third Party Software

that were provided to you by us) will also terminate, and, without limiting your obligations under Section 7, you will immediately cease using the Platform and we will cease all Support. Within fifteen (15) days of the termination date, you will pay all fees and costs accrued before the termination date. Upon your written request that we receive within seven (7) days of the termination date, we will promptly return your Pre-existing Materials that we or our Developers have in our possession, subject to our rights and obligations set forth in Section 7. We will not take any action to intentionally erase any of the Content for a period of eight (8) days after the termination date.

- d. **Survival.** Sections 5, 7, 9.c, 11, 12, 13, 15, 16 and 17 survive any termination or expiration of this Agreement.
- e. **Suspension.** We may suspend your License if: (i) it is reasonably needed to prevent unauthorized access to Content; (ii) you fail to respond to a claim of alleged infringement under Section 5 within a reasonable time; (iii) you do not pay amounts due under this Agreement; or (iv) you do not abide by the Acceptable Use Policy or you violate other terms of this Agreement. If you do not fully address the reasons for the suspension within 60 days after we suspend, we may terminate your License and delete your Content without any retention period. We may also terminate your License if your use of the Platform is suspended more than twice in any 12-month period. If we suspend the License due to Customer's fault, then we may, but are not obligated to, reinstate the License if you have satisfied all reasonable conditions that we impose and pay all overdue fees (including applicable interest) to us.

- e. **Remedies.** If you notify us promptly in writing that the Platform fails to comply with the warranty in Section 14.b and such failure is not excluded from warranty pursuant to Section 14.d, then we will, at our sole option, either: (i) repair or replace the Platform, provided that you reasonably cooperate with us to recreate such failure; or (ii) terminate your License. The remedies set forth in this Section 14.e are your sole remedies and our sole liability.

If these options are not commercially reasonable, we may terminate your License.
